

# UPBOOKS PUBLISHERS - BRAZIL

---

I am the United States Representative for UPBooks of Berean Publishing Group out of Brazil.

I am very excited to offer you the opportunity to have your books translated into Portuguese and marketed throughout Brazil and the nine other Portuguese-speaking countries. (Listed in presentation) My business partner is Pastor Eneas Francisco from Sao Paulo, Brazil. He does all of the translations for the COGIC and other US speakers who come to preach throughout Brazil.

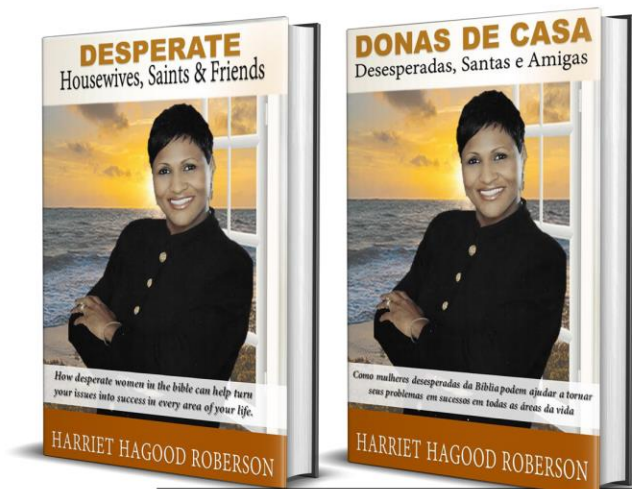

You and your books will be marketed and promoted at book fairs, expos, conferences and in church book stores throughout Brazil and the Portuguese-speaking countries. You will also have the opportunity to speak at conferences throughout Brazil set up by Roberson International/Berean Publishing Group. We also are available to assist with set up and coordination of mission trips for your church and foundation.

Attached is our presentation. I am available to answer any additional questions you may have.

Looking forward to hear from you soon.

Sincerely,

Dr. Harriet H. Roberson

### WHO WE ARE

UPBooks is a publishing arm/seal of Berean Publishing House. Our purpose is to help Christian authors to make their way into the publishing arena in Brazil, exposing their talent and manifesting to mankind their God-given dream.

We offer a non-exclusive contract for those authors who want their book published and/or translated into Portuguese. We have different options for those that have set the goals for a higher level of professionalism, connecting them to people, churches, bookstores and distributors who will push their work forward in Brazil and to a broader public – the nine Portuguese-speaking nations. They are Brazil, Portugal, Mozambique, Angola, Cape Verde, Guine Bissau, Equatorial Guinea, St Thomas and Prince.

Please note: Approximately 250 million people speak Portuguese; 80% of those live in Brazil.

### WHAT WE OFFER

We have an exclusive opportunity for those that connect to UPBooks/Roberson International in 2018. Berean Publishing Group will be at the 25th Sao Paulo International Book Fair, - considered the largest book event in Latin America - and also at Expo Cristã, the largest Christian Expo of the country and all the self-publishing authors that sign with us will have their books promoted and sold through pre-sales. For those in the United States who cannot be there in person, we will promote your book for you.

Take this opportunity to fly higher getting the exposure you need during the Book Fairs that will take place in the largest city of the country.

In order to have your book promoted in Brazil, you will need to submit for publishing by July 30th. That gives us enough time for promoting your book.

The cost of our packages includes translation and marketing. We also provide PR services.
